

Saskatchewan REALTORS Care® Grant Application

Background

The mission of the Saskatchewan REALTORS Care® Grant is to demonstrate REALTOR® care and commitment to all communities in Saskatchewan by awarding grants each year to charitable organizations in the province.

Applications are currently being sought from registered charitable organizations that support the following activities:

- support shelter-related services in our communities
- enhance environmental sustainability, protection and conservation of natural areas
- promote safer neighbourhoods and improved community services
- enhance and promote community development and better opportunities for “at risk” populations
- support populations and disadvantaged citizens

Funding Criteria and Restrictions

Organizations applying for the grant must have been in continuous operation and delivering services in Saskatchewan for a minimum of two (2) fiscal years prior to the date of the grant application. Preference will be for specific *project* or *capital* funding as opposed to general revenue for agency staff or core operations.

Funding will NOT be granted to the following types of organizations:

- Theatres or performing arts groups
- Service or fraternal clubs
- Private foundations
- Religious institutions
- Agencies / organizations whose sole purpose is to raise funds for distribution to other community organizations

The Saskatchewan REALTORS Care® Grant program will NOT fund:

- Another endowment (as opposed to a direct project or capital improvement)
- Agency budget deficits
- Fundraising events
- Activities already completed or costs incurred prior to the current year of application
- Political activities

The Saskatchewan REALTORS Care® Grant program welcomes all submissions, but only one award will be granted at approximately \$6,000. An unfavourable decision by the Saskatchewan REALTORS Care® Committee does not in any way reflect upon the quality of the organization making the request. Unsuccessful applicants are invited to re-apply in subsequent years.

Decisions will be awarded based on the highest objective scoring in accordance with such criteria as:

- Demonstrated need for the project;
- Degree of benefit contributing to an improved quality of life in Saskatchewan and the region; and
- The demonstrated measures of success for the project/ proposal for which funding is being requested.

Applicants are asked to submit this form and supporting documentation online no later than 4:00 pm on February 28, 2025. Final adjudication of Saskatchewan REALTORS Care® Grants will take place by April 2025.

Once awarded, grantees are asked to submit a letter to the Association by June 30, 2025, confirming the receipt of the grant and the final confirmation of the project to which it will be directed. In addition, the Association would be grateful to receive testimonials for the clientele served by the organization, as well as photos of the programming, if available. When possible, we will seek opportunities to visit the recipient organization and invite media coverage.
